ALL APPLICANTS READ THE FOLLOWING.

By submitting this application, I agree to read, and the organization I represent agrees to follow, the current versions of all rules, regulations, policies and procedures of the Association, including the NACA Process for Dealing with Violations of Association Policy. Such rules, regulations, policies and procedures may be amended by NACA's Board of Directors from time to time without notice and are available for review upon request.

We represent and warrant that our company is the exclusive representative in the college market of the artist(s), attraction(s) and films listed above. We understand that if this is not the case, our company may be subject to sanctions, as described in the NACA Process for Dealing with Violations of Association Policy, as set forth in various Association publications, in the sole discretion of NACA.

We understand that it is the responsibility of associate members to ensure that information submitted is correct. NACA takes no responsibility for verifying artist rosters, either prior to listing in the NACA Online Directory or during the showcase submission process. Duplications or conflicting information in rosters must be worked out between agencies, and the NACA Office notified of the final disposition. If a member knowingly submits inaccurate information, they are subject to sanctions as outlined in the NACA Process for Dealing with Violations of Association Policy, as set forth in various Association publications, including revocation of membership.

We understand that schools may submit evaluations of our performers on their campuses to the Association for online publication. These Artist Performance Reports (APRs) are the opinions of the individuals submitting the report and do not imply an opinion or representation of fact on the part of any NACA staff, volunteers or other members.

The undersigned agrees that all legal claims relating to or arising from membership in NACA, fees assessed by NACA, participation in events sponsored by NACA, the policies of NACA, enforcement, application, and interpretation of NACA policies, disciplinary investigations, proceedings, and actions taken by NACA, and termination of membership in NACA, shall be resolved through binding arbitration. The arbitration shall be conducted in Columbia, South Carolina, pursuant to the applicable rules of the American Arbitration Association in effect on the date this application is signed, by one arbitrator appointed in accordance with such rules. Each party will bear its own attorneys' fees and costs, and will divide equally the costs of the arbitration. The arbitrator shall apply the law of the State of South Carolina to all matters brought before him/her. Any arbitration award shall be limited to actual damages only, and no award shall be made in excess of \$10,000. No punitive or enhanced damages, or prejudgment interest, shall be awarded. All awards of the arbitration will be binding and non-appealable except as otherwise provided in the Federal Arbitration Act, 9 U.S.C. § 1, et seq. Judgment upon any award rendered by the arbitrator may be entered and enforced in any court having jurisdiction thereof. This arbitration provision applies only to legal claims, as described above. Internal disciplinary procedures conducted pursuant to NACA policies are not subject to arbitration.
