

The **NACA® Foundation** was established in 1982 to develop and provide educational programs and services for college and university students, professional staff and others who work in the field of student activities.

The Foundation currently offers a variety of scholarships to assist undergraduate students, graduate students, professional staff and associate members in pursuing educational interests and career development.

When you support the Foundation, you are a part of something really special: a community dedicated to developing knowledgeable and innovative leaders through research and scholarship. For the past 39 years, our donors' belief in the NACA® Foundation as a valuable community asset has made it possible to award numerous scholarships, research grants, and professional development opportunities to members of the campus activities community. We take great pride in our mission and accomplishments, and with your continued support, we can persist in advancing the field of campus activities.

A Few of Our Recent Scholarship Recipients

Jordan Farrell

My name is Jordan Farrell and I am one of the 2020 NACA® Public Media Incorporated/Films Incorporated Scholarship for Student Leaders recipients. By receiving this award, I am able to continue my collegiate studies without the stressors of funding my college and graduate education. As a first-generation student and pre-law student, education is imperative to continuing on with my career and by receiving this scholarship, I am able to continue forward thanks to this generous donation from the National Association of Campus Activities.

Anusha Mithani

Thank you to the NACA Foundation for supporting me and my education. I am extremely honored to be a recipient of the 2020 NACA Central and Northern Plains Scholarship for Student Leaders. This scholarship will help me provide the funds as I continue my education and begin PA School at UT Southwestern. With this scholarship, I am able to continue working towards my goals to be a primary care provider in underserved and minority populations and improve the overall quality of life in my community.

Brett Heckman

I am extremely honored and appreciative of this scholarship opportunity! NACA is an organization that I have grown to love and cherish during my time in campus programming. I have always prided myself on being a student leader and this award validates that. With this award, I will be able to finish my degree program in Elementary Education with less of a financial burden. My ultimate goal to make a positive impact on the lives of all the children that I teach in the same way that I have striven to impact those around me here at the University of South Alabama!

**NACA EDUCATIONAL FOUNDATION
