REGISTRATION POLICIES

Who May Attend NACA Events?
No delegate will be allowed to attend any NACA events until their registration fees are fully paid. Delegates may register under only one membership category for any NACA activity. Any member who has an outstanding debt with NACA of more than 60 days must clear that debt before registering. NACA reserves the right to apply any funds held for or received by NACA from a debtor to any outstanding debt as well as any accumulated service or related charges where applicable, regardless of the purpose for which such funds were received or held by NACA. There will be a $50 service fee for all returned checks.

NACA registration hours are available on the event page of the NACA website. All delegates must register during the stated hours. If delegates are arriving after the stated hours for whatever reason, their head of delegation must make arrangements to have the delegates’ badges and other registration information available; otherwise, delegates who arrive after registration has closed for the day must wait until the following morning to register and will not be able to attend any event activities until they have registered.

Badges
Badges are required for entry to NACA events. Lost badges that need to be reissued will cost $50.

At some NACA networking events, both alcoholic and non-alcoholic beverages are served. NACA expects participants at our events who are 21 years of age or older and choose to drink to do so responsibly. NACA and meeting host event staff have the right to deny service to participants for any reason and may require a participant to leave the event.

Health

The health and well-being of event attendees is a top priority and NACA continuously monitors recommendations from local, state, and federal agencies, including the Centers for Disease Control, World Health Organization, and US Department of State to inform event protocol.

Do not attend the event if you feel unwell, have any signs of illness including a cough, runny nose, fever, shortness of breath, etc., or if you have been exposed to someone that is sick. Please see a healthcare professional immediately.
NACA encourages all attendees to follow these CDC Best Practices for everyday preventive actions to help prevent the spread of illness:

By attending this event, you, your delegates and/or the acts that you represent give NACA your consent to use photographs and videotapes in which you, your delegates and/or your acts appear.

NACA delegates or other persons may use photographic or other image and sound recording devices to record events and activities that take place during NACA events, as long as these activities do not interfere with the audience enjoyment of or participation in NACA events. Those photographing or recording events cannot interfere with showcase technical crew, stagehands, etc.

The following specific guidelines apply to any photography, videotaping or other recording at an NACA event:

6. Use of supplemental lighting will not be allowed.
7. Some forms of recording/taping may not be available at specific venues due to union or other facility regulations.
8. Recording/taping of some materials may require the permission of the owner of such materials, and it is the recorder’s responsibility to obtain such necessary permissions.

If audience members, showcase crew or other technical, conference or facility staff complain about the position of a camera/operator, the camera/operator will be asked to move. If the camera/operator does not comply, they will not be allowed to continue taping.

**BY USING VIDEOGRAPHIC AND/OR OTHER RECORDING DEVICES TO RECORD NACA EVENTS AND ACTIVITIES, THE RECORDER REPRESENTS THAT HE/SHE HAS OBTAINED ALL NECESSARY PERMISSIONS FROM ANY COPYRIGHT HOLDERS OR OTHER ENTITIES WHOSE RIGHTS MAY BE AFFECTED. The term “applicant/registrant” includes the person submitting the application as well as any other person or persons appearing at or attending the NACA event in connection with the party applying.

**Attendance at Showcase Events**

Attendance at showcase events is voluntary, and it is the responsibility of the attendee to determine whether a particular event poses a risk to the attendee. Some elements of risk may be associated with some showcase events. Some events may include hypnosis and some individuals may be more susceptible to hypnosis than others. The attendee accepts all responsibility for all consequences associated with attending showcase events and NACA is held harmless against all claims arising from any result of attending a showcase event.
Block Booking policies

In order to be guaranteed NACA conference pricing school delegates need to submit a form at any level on-site for a particular act. From that point, conference pricing will be good for 45 days. If an institution does not submit any business for an act via NACA 24/7 on-site, Associates are NOT REQUIRED to give conference pricing for that act.

INTEREST LEVEL REMINDERS:
• **SI - Strong Interest** – A series or range of dates expressing interest in a particular act. Putting in this form is requesting follow up from an Associate without a commitment for booking.
• **SD - Single Date** – A specific date expressing interest in a particular act. Putting in this form is requesting follow up from an Associate without a commitment for booking.
• **CB - Contract If Block Forms** – School fully intends to execute a contract if a block forms for a particular act. This should not be downgraded.

NACA reserves the right to cancel any program. Causes for cancellation may include, but are not limited to, low participation by schools and/or associates, acts of God, etc. In the case of a program cancellation, NACA will reimburse only those fees paid to NACA; any travel, lodging or other non-NACA fees will not be reimbursed.

Bias Definition

Bias targets a marginalized identity whether real or perceived to be a part of a recognizable group or affiliation. Legally protected identities include: actual or perceived race, color, religion, national origin, gender, sexual orientation, gender identity, veteran status, or disability. NACA also recognizes that bias may occur as a result of one's actual or perceived age, ancestry, sex, gender expression, citizenship or immigration status, marital status, socio-economic class, or religious practice. The second list of identities are not legally protected identities in the United States but are affirmed through NACA's Core Values of diversity, multicultural competence, and human dignity.

NACA reserves the right to take any action deemed necessary and appropriate, including immediate removal from the meeting without warning or refund, in response to any incident of unacceptable behavior, and NACA reserves the right to prohibit attendance at any future meeting.

NACA's Alcohol and Other Substance Abuse Statement

The National Association for Campus Activities and the NACA® Foundation recognize the serious threats that alcohol and other substance abuse present to college populations, the entertainment industry, and to society as a whole. We realize that our Association is not immune to the problems associated with abuse. NACA is committed to addressing this issue through various activities, programs, and educational efforts on regional and national levels.

All NACA members and volunteers are encouraged to uphold the Association's statement in spirit and action; however, NACA has no responsibility for the conduct or behavior of event attendees.

Alcohol served outside of any official event (an official event is one endorsed or hosted by NACA) is not the responsibility of NACA but is instead the responsibility of the individual/group/firm coordinating, hosting, promoting, or holding the activity. All responsibility for determining whether participants at the activity are underage and for complying with applicable state and local laws rests solely with the individual/group/firm coordinating, hosting, promoting, or holding the activity, and is not in any way the responsibility of NACA or any of its employees or representatives.

In the event that NACA becomes the subject of a claim or loss arising from violation of this policy by any person, group or business entity, or service of alcohol at any non–official event, that person, group, or business entity agrees that it shall indemnify and hold harmless NACA from and against all resulting claims and losses, including NACA's costs and attorney's fees, that arise from or relate to violation of this policy and/or service of alcohol at said non–official event.

No alcoholic beverages or smoking are permitted in educational sessions, showcases or the Campus Activities Marketplace.
**Risk Management Language**

NACA's Executive Director is the sole authorized spokesperson for the association. In the Executive Director's absence, the COO is responsible for speaking to the media.

Risk management must be practiced by all attendees, volunteers, and staff. In any activity or event sponsored or endorsed by the national association:

1. Attendees, volunteers, and staff are expected to comply with all federal, state, and local laws. No person under the legal drinking age may possess, consume, provide, sell or be provided alcoholic beverages.

2. Attendees, volunteers, and staff are expected to comply with the federal law regarding illegal drugs and controlled substances. The possession, sale, or use of any federally classified illegal drugs or unprescribed controlled substance, as well as the abuse of any prescribed controlled substance is strictly prohibited during an event or in any situation sponsored or endorsed by NACA.

NACA prohibits behaviors that intend to be, or are reasonably foreseeable to be, undignified, threatening, intimidating or harassing to another person or group or within member activities. This behavior includes, but is not limited to lying, cheating, theft, libel, slander and/or participating in activities that are discriminatory, demeaning or destructive.

In any activity or event sponsored or endorsed by NACA no attendee, volunteer, member or staff shall engage in assault and battery, as defined in the state statutes in which the activity or event occurs.

Attendees, volunteers, and staff must comply with all federal, state and local laws related to sexual misconduct. This is including, but not limited to, definitions around consent, sexual violence, sexual harassment, domestic violence, dating violence, stalking and sexual exploitation.

Speaker Showcase
Speaker acts are those that cover topics such as social awareness, political issues, health and environmental concerns, the arts, etc. Based on a recent survey, school members are most interested in topics on Diversity, Equity, and Inclusion, Mental Health, Wellness, Leadership, and LGBTQIA+. This category is primarily non-musical and educational, but could also include social media influencers/celebrities or panels for Question & Answer sessions. Speaker acts have 15 minutes to present. An act may take questions from the audience or conduct a question and answer session within their 15-minute period. A projector and screen will be provided for acts to use. Acts should come prepared with a laptop to connect to the projector via a VGA or HDMI cable in the event there is not a laptop on site.

Master of Ceremonies Showcase
These acts introduce the other acts in Showcases and entertain during set changes. This category includes acts that require a minimum of setup time and which can perform on the thrust. Emcees will have a total of 25 minutes to showcase their acts exclusive of their introduction time. This should be divided among multiple sets. The final breakdown of time between each act must be coordinated day of with Showcase Production Coordinator as these “sets” are necessary to complete turnover between acts.

MATERIALS FOR SUBMISSION
Showcase submissions will be accepted only through the NACA® 24/7 dashboard.
SHOWCASE POLICIES

It is the responsibility of associate members to ensure that information submitted is correct. NACA takes no responsibility for verifying artist rosters submitted for the online directory or during the showcase submission process. Duplications or conflicting information in rosters must be worked out between agencies and the NACA Office notified of the final disposition. If associate members knowingly submit inaccurate information, they are subject to sanctions as outlined in the NACA® Process for Dealing with Violations of Association Policy, including revocation of membership.

For an act to be considered for a showcase, submissions must be received by the published deadline.

Artist pricing cannot be increased once the committee has reviewed the application. Artists will have the opportunity to edit their pricing, biography, and other program details if selected to showcase.

Criteria for Reviewing Submitted Acts

1. The Showcase Selection Committee has the sole authority to select acts for the conference showcases.

2. Materials submitted must be an accurate representation of the material and personnel that will actually appear on the showcase and must be complete to be considered.

3. An artist/performer may not showcase more than once at the same conference in any given year, regardless of category, either as a member of a group or as a solo artist. If the act is a product/program rather than a person (i.e. a game show or dance party), the host of the product/program may also host other products/programs at the same event.

4. The criteria utilized to review submitted acts will include but are not limited to (not necessarily in priority order):
   a. Originality (both of performance/act and within the pool of acts submitted).
   b. Talent as compared to other acts submitted.
   c. Block Booking prices that are competitive (High/Low) with other acts submitted.
   d. Competition with regards to other acts submitted.
   e. Staging capabilities (Full Stage vs Thrust).
   f. Anticipated college marketability and audience appeal within the region to which the application was submitted.
   g. Diversity and/or variety as compared to other acts/artists submitted.
   h. Distribution of artists among exhibiting associate members.
   i. Accomplishments/appearances within the college and general entertainment market.
   j. Degree of completeness of the information submitted.

5. Acts will be considered for the category for which they applied. If an individual act has indicated that they would be willing to be moved to another showcase category, and the Committee feels the act would be better suited to that category, the firm will be informed of the move upon selection.

SHOWCASE SELECTION PROCEDURES

1. A recorder will be selected to keep an official record of the deliberations. The showcase selection committee meets virtually for all NACA conferences.

2. The Showcase Selection Committee Coordinator will begin the process by reviewing the schedule, all showcase policies, the selection procedures and criteria, the number of acts that must be reviewed, and the confidentiality of the Committee’s discussions. The coordinator should also answer any questions from the Committee at this time.

3. All deliberations and discussions during the showcase selection process are confidential. Any breaches of confidentiality could result in sanctions from the Association.

4. The Committee will review submissions in the following order:
   a. DJ
   b. Variety
   c. Speaker
   d. Spotlight Low
   e. Spotlight High
   f. Master of Ceremonies

5. Submissions will be reviewed in alphabetical order by performer name in ascending order (A-Z), with the starting letter determined by random drawing by the Showcase Selection Committee Coordinator immediately prior to the start of the first round. Subsequent rounds of review will pick a different random starting letter.

6. For all categories except Speaker Showcase, the Committee will view 1.5 to 2 minutes of the submitted materials. For Speaker, the committee will view 3 minutes of the submitted materials. The committee will follow the instructions indicated by the applicant. At this time, the committee will also review the written materials provided by the act, utilizing the criteria for selection as outlined previously. After this review, a vote will be taken. If 50% or more of the Committee members vote in the affirmative, the act will move to the second round. If an act receives 100% of the votes in round 1, they automatically move forward to Round 3.

7. In the second round, the Coordinator will ask if the Committee would like to review any or all of the audio/video material provided. If yes, the Committee will review the audio/video materials and may also review the written materials provided by the act as needed, utilizing the criteria for selection as outlined previously. After this review and discussion, a vote will be taken. If 75% or more of the Committee votes to move the act forward, it will move to the next round.

8. In the third round, each individual Committee member will develop a ranked list of the acts they would select for showcase, each considering the criteria for selection as outlined previously. The National Showcase Selection Team and Regional Showcase Selection Coordinator will work together to create the final list based on the committee’s rankings.
9. After all acts are selected for showcase, alternates will be chosen and ranked accordingly in the following categories:
   a. DJ
   b. Variety
   c. Speaker
   d. Spotlight Low
   e. Spotlight High
   f. Master of Ceremonies

The Committee reserves the right to revisit eliminated acts and/or to move acts indicating they would accept such a move into any other category as needed to finalize the alternate lists.

10. The NACA Office will notify associate members of selection by posting this information on the NACA website as soon as possible following its receipt and no later than the notification date listed in this Guide.

11. Associate member agency(cies) representing acts/artists not selected to showcase will be able to see the review round in which their act/artist was eliminated via NACA 24/7; no other feedback will be developed or provided. In general, the review rounds will focus on the following main discussion areas:
   a. Round One: Overall quality of the materials/performance;
   b. Round Two: Performance as compared to other submitted performances; and
   c. Round Three: Ranking with regard to placement on final lists.

12. If an in-person event is replaced with a virtual program, virtual showcase performances would be sourced from the selections made for that in-person event.

The composition of the Conference Showcase Selection Committee will be at the discretion of the National Showcase Selection Team or designee with the following considerations:

1. The Coordinator of the Conference Showcase Selection Committee shall vote only in the case of a tie.

2. The Coordinator must have served on a Conference Showcase Selection Committee at least one time. The Coordinator must also be a full-time staff member at a current NACA member school.

**SHOWCASE SCHEDULING**

1. The performance time slot assigned to each act will be determined by the designated NACA official, who reserves the right to change the showcase order within the showcase block as they deem necessary at any time.

2. In order to be considered, acts must be available to appear on any of the showcases listed.

3. All acts selected to appear for a showcase must submit a signed letter of intent regarding their appearance on the showcase and payment of the showcase fee by the noted deadline or the act will be removed from the showcase and an alternate will be moved onto the showcase.

4. Once the performance schedule is finalized and Showcase Letters of Intent have been sent, no requests from acts or associate member firms to change performance times will be honored. If an act cannot perform at the time assigned the act will be removed from the showcase and an alternate will be moved onto the showcase. Changes in showcase performance times due to technical limitations, labor issues or any other reason that may be deemed necessary by the Showcase Production Coordinator in coordination with the NACA Office will be permitted.

**SHOWCASE ALTERNATES**

1. An alternate will appear during the same showcase block in which the vacancy occurred (i.e. Showcase 1, Showcase 2, etc.) but may not necessarily perform in the same order as originally occupied by the act they are replacing. The Showcase Production Coordinator has the authority to change the order of acts in the showcase block as they deem necessary.

2. Alternates will be approached as follows: a. DJ, Variety, Speaker, Spotlight Low, Spotlight High will be chosen from their individual alternate pools only b. Master of Ceremonies will be chosen from their individual alternate pool. If that pool is
exhausted, alternates we will be chosen from the SPOTLIGHT alternate pool at the sole discretion of the Showcase Production Coordinator, based on who can effectively be placed in a MASTER OF CEREMONIES spot.

3. In the event of a cancellation where no alternate in the original alternate pool is available, the Showcase Production Coordinator shall attempt to fill the spot to the best of their abilities.

   a. If all attempts to fill a cancellation with an alternate fails, the slot will be left open.

   b. At the end of the conference, any alternate offered a showcase opportunity that was not available to perform when asked will forfeit the previously paid showcase alternate fee.

DURING THE SHOWCASE

1. Technical control of all showcase performances including the power supply for lights and sound, sound levels and lighting direction, and all stage and equipment setup will at all times be under the control and direction of the Showcase Production Coordinator in coordination with the student stage crew. All questions should be directed to this official.

2. The firm representing a showcasing act must be present for the duration of the conference unless prior written permission has been granted by the NACA Office. This agency must be the only booking contact for that act during the conference. If the representation of the act is in dispute, and the dispute cannot be settled prior to the beginning of the conference, the act will not be allowed to perform on the showcase, and the firms in dispute regarding the representation of the act will forfeit their booth spaces and any subsequent showcases, and will no longer be able to participate in and/or attend the conference.

3. Changes of equipment, instruments or personnel within the act that do not alter the concept or talent as presented by the act to the Showcase Selection Committee in the showcase and as will be presented by the act on the road may be permitted at the sole discretion of the Showcase Production Coordinator. Changes in personnel in single artist acts are not allowed.

4. Acts cannot include any other guests or performers that were not included in the submission materials, nor can they include acts that are already showcasing separately.

6. Acts appearing in the showcase may only attend the conference the day they are appearing unless they are registered as delegates. Showcase alternates may attend the conference on one day of choice. If a showcasing act or alternate wishes to attend on days not covered by their showcasing act pass, they may purchase a Day Pass. Day Passes may be purchased for multiple days.

7. All instruments, instrument amplifiers, laptops, keyboards, backline and stage props are the sole responsibility of the attraction or agency. All attractions will perform under general stage lights unless a representative is present to call lights. A standard concert sound system and operator will be provided by NACA.

8. Any performance that exceeds the defined showcase time limit will have its lights and sound cut off. Each performer’s time allotment will begin immediately following their introduction. Any showcase act who exceeds their time limit may forfeit any remaining showcases they may have been awarded for the current conference season and will not be eligible to apply to showcase at any events for the following year’s conference season.

9. In showcase acts that include hypnosis, the performer may not conduct any mass/group hypnotic suggestion of the audience as part of the showcase. Hypnotists may induce volunteer participants up to 25 minutes prior to the performer’s scheduled showcase start time. An available location for the induction will be communicated to the artist during their sound check. Inductions will not be allowed backstage. The use of live animals is not allowed. Additionally, the clean-up for any messes made on stage/performance area are the responsibility of the showcasing act and should be taken care of immediately following the conclusion of the act or showcase depending on the determination of the Production Coordinator. Failure to provide notice of such aspects of your performance prior to a showcase and/or clean up immediately following may result in the retraction of any remaining showcases they may have been awarded.
for the current conference season as well as the ineligibility to apply to showcase at any conferences for the following year’s conference season. If artist actions cause any additional cleaning fees, work average charges, venue charges, or damage to production equipment, the representing agency will be charged.

13. Educational session presenters cannot showcase or be an alternate in any showcase category and present educational sessions during the same event. Upon notification of acceptance of both showcase and educational sessions, the presenter must choose the type of venue preferred and notify the NACA Office within 10 days of the announcement of showcase selection.

14. ALL parties of the showcasing attraction and its representative must be backstage and in contact with the showcase production coordinator at the SOUND CHECK ARRIVAL TIME as indicated. The representative must remain at the location designated by the production coordinator until the attraction has completed its sound check and the stage is cleared for the next attraction. Firms failing to comply with this requirement may forfeit the right of their attraction to perform.

15. All parties of the showcasing attraction and its representative must be backstage and in contact with the showcase production coordinator at the PERFORMANCE CHECK-IN TIME indicated above. The representative must remain at the location designated by the showcase coordinator until the attraction has completed its performance and the stage is cleared for the next attraction. Firms failing to comply with this requirement will forfeit the right of their attraction to perform.

**On-Site Selected Showcase**

One act for the first showcase on Saturday may be chosen on-site by conference delegates, who will vote from among associates attending the conference who have pre-registered for this category. ONLY acts who have NEVER showcased at a previous NACA event — in any showcase category — are eligible to apply for On-Site Selected Showcase. All other eligibility criteria remain the same. Artists or their representatives must register for this category at Associate Registration the first day of the conference; artists must meet all current showcase criteria and restrictions. Associate members who have already been allotted and accepted the maximum number of showcases by the showcase selection committee per their membership category are not allowed to submit artists or programs for On-Site Selected Showcase consideration. If an associate member who was originally allotted and accepted the maximum number of showcases drops a previously allotted and accepted slot, they are still not eligible to submit artists or programs for on-site showcase consideration. Alternates wishing to participate in the On-Site Selected Showcase process are not required to forfeit their alternate spot in order to participate:

- If an alternate on the ballot for On-Site Selected Showcase consideration is offered and accepts a showcase spot once the On-Site Selected Showcase ballot is created and distributed to conference delegates, every reasonable effort will be made to communicate to conference delegates via the existing methods being used for conference updates that this act/performer is no longer eligible to be chosen as the On-Site Selected Showcase.

- A revised On-Site Selected Showcase Ballot will not be created once distributed.

- Any votes the showcasing act may receive will be removed from the final count which determines the On-Site Selected Showcase winner.

Registrants for the On-Site Selected Showcase will include confirmation that the artist will be available for sound check and showcase and have the ability to pay the showcase fee on site. Artists are expected to pay the appropriate showcase fees via cash or credit card upon notification of selection.

The list of on-site showcase applicants will be posted in the Campus Activities Marketplace beginning with the start of the Campus Activities Marketplace on the first day of the conference and will include the artist, agency and booth number. School delegates will be asked to visit the booths of eligible acts to review promotional materials, bio, pricing and other information to help them decide for whom to vote. While acts are encouraged to promote themselves through placement of ads in the conference Program and through social media, any physical promotion of an act on the On-Site Selected Ballot during the actual dates of the conference may take place ONLY from the firm’s booth in Campus Activities Marketplace. Examples of prohibited physical promotion are, but not limited to:

- Distribution of flyers, promotional items or other physical materials to delegates outside of the Campus Activities Marketplace, either inside or outside of the conference venue(s).

- Announcements from the stage by other showcasing acts which encourage voting for one or more specific acts.

- Distribution of cash or prizes to a delegate in exchange for a vote for a particular act or in exchange for proof that a delegate has voted in general. This does not include normal promotional items.

If you are questioning if your marketing technique will or will not be prohibited under this policy please consult with the NACA Office beforehand.

Violation of these policies will result in the immediate disqualification of the act from On-Site Selected Showcase eligibility and the forfeit of their opportunity to showcase regardless of the voting outcome. Any acts that utilize this policy to disqualify another act in malice will result in the offending act’s/firm’s booth being closed for the remainder of the conference and any additional showcases that firm may have will be forfeited with no refund available.

Each school delegate is allowed one vote. Electronic ballots will be available beginning at the Campus Activities Marketplace on the second day of the conference and voting ends at the close of the Campus Activities Marketplace that same day. The successful act will be notified as soon as possible following the final tally and given their sound check time. The showcase fee must be paid in full no later than 10 a.m. on Saturday of
the event. The winner will not be allowed to sound check or perform without receipt of payment.

**SHOWCASE FEES & REFUNDS**

1. Payment of the showcase fee must be submitted by the deadline stated on the Letter of Intent or the act will be removed from the showcase and an alternate will be moved onto the showcase. Showcasing acts and alternates must also electronically sign the Showcase Letter of Intent in NACA 24/7.
2. A 25% refund will be given to associate members when the NACA Office receives a written request at least 30 days prior to the first day of the conference, unless there has been a violation of policy.
3. No portion of showcase fees will be refunded if the act is:
   a. Eliminated from the showcase due to violation of conference policies.
   b. Unable to appear and notifies the NACA Office less than 30 days prior to the start of the conference.
4. No substitution of acts by associate members will be allowed.
5. Alternate acts must pay 50% of their showcase performance fee by the deadline stated on the Letter of Intent. The balance of the fee must be paid when selected to appear. A 100% refund shall be made to associates who were chosen as alternates and were not selected to showcase. Alternates who are selected to appear and do not showcase when asked will forfeit their showcase fee. Alternates may withdraw for a 100% refund when the NACA Office receives a written cancellation notice at least seven days prior to the first day of the conference.
6. Fees paid on site must be in the form of cash, credit card, money order or cashier's check.

**ELIMINATION FROM THE SHOWCASE**

An act selected for showcase will be eliminated if the agency submitting it:
- No longer represents the act.
- Is not the only booking contact for that act during the event.
- Withdraws from the conference.
- Fails to attend the conference, leaves the conference after it arrives or is not staffing its booth during the required hours.
- Is under legal restraint from presenting the act.
- Does not have the right to present the act.
- Violates the terms of the signed letter of intent.
- Showcase fees will not be refunded if the act is eliminated from the showcase or showcase alternate list resulting from violation of event policies.

c. Attraction Space—Area in the Campus Activities Marketplace not adjacent to in-line booths or standard aisles.

Purchasing Booth Space

1. All firms representing talent, products or services to schools and attending the event must be current NACA associate members or non-profit affiliate members and must purchase Campus Activities Marketplace booth space to attend an event. Firms purchasing a minimum of 100 square feet of Campus Activities Marketplace attraction space are not required to purchase additional exhibit space.

2. Associate members who have maintained membership for 10+ years will be able to purchase booth space and select their booth locations starting on June 6, 2022. Booth sales will be opened to all other associate members and non-profit affiliate members starting on June 8, 2022.

3. Booths can be requested only by payment in full of all appropriate event and membership fees and upon receipt of Campus Activities Marketplace Application. Applicable booth fees as determined annually by the Board of Directors and published in the applicable event Guide will be charged for any space purchased in, or connected via a regular booth to, the defined exhibit area. Booth space dimensions are outlined on the individual conference pages on naca.org.

Assigning Booth Space

1. Booth assignment will be at the discretion of the NACA Office. Exhibit hall diagrams with booth numbers are available online so that associate members can select their booth preferences when purchasing booths space.

2. Items to be considered in booth assignment include, but are not limited to:
   - Location preference outlined by the agency
   - Distribution of agencies representing showcasing acts/alternates throughout the Campus Activities Marketplace.
   - Distribution of agencies offering similar products/programs throughout the Campus Activities Marketplace.

3. Booth space will be assigned in the following manner:
   - Campus Activities Marketplace space will be assigned in the order in which applications and payment are received. Members submitting booth payment/paperwork that has the same join date will have their booth placement assigned in the order that payment/paperwork was received.
   - Members submitting booth payment/paperwork following the publication of this Guide will have their booth placement assigned in the order that payment/paperwork was received.
   - Associate member firms with showcasing acts or alternates are guaranteed a booth.

4. Once available booth space has been assigned, remaining applicants will be placed on a wait list.
   - If an associate member cancels a booth once booth numbers have been assigned, exhibitors will be placed from the wait list in date order, with each firm on the wait list receiving one booth until all firms on the list have received a booth.
   - Any additional booths for agencies on the wait list, or requests for additional booths that are made after the Campus Activities Marketplace is full and which therefore are moved to the wait list, will not be assigned until all agencies on the wait list have at least one booth.
   - Agencies placed from the wait list may not necessarily fill the booth space vacated.

Booth Setup

1. Exhibitors may begin setting up their displays only after they have checked in and picked up registration materials and name badges at the event.
2. Exhibitors are responsible for their load-in and load-out. No additional assistance or volunteers will be provided by the volunteer staff. The loading dock is not accessible outside of load-in/out times.

3. If an exhibitor is aware that they will be arriving late due to an emergency prior to the start of the conference, they must contact the NACA Office. At this point, it is at the discretion of the NACA office to determine whether or not to allow exhibitors to arrive late and still participate in the event.

4. Booths must be completely set up and open by the beginning of the first scheduled Campus Activities Marketplace. Exhibitors who fail to occupy their booths by the start of the first scheduled Campus Activities Marketplace or fail to notify the Campus Activities Marketplace Coordinator or the NACA Office of the reason for late arrival will forfeit their booth(s) and will not be entitled to refunds.

5. On-site decisions regarding late exhibitors will be made by the NACA Office and their decision will be final.

6. Exhibitors that do not check in and exhibit at the event without notifying the NACA Office in advance of their cancellation will be subject to penalties as described on below.

**Booth Operations**

1. Exhibitors are NOT required to staff their booth and/or attraction space during all Campus Activities Marketplace hours, but are encouraged to do so as much as possible.

2. Exhibitors and artists will be allowed to enter the Campus Activities Marketplace one-half hour before each Campus Activities Marketplace is scheduled to open.

3. After the first Campus Activities Marketplace, exhibitors may change their booth locations with the approval of the Campus Activities Marketplace Coordinator. Booths that remain empty may be purchased by an adjacent exhibitor at 50% of the booth fee. If both adjacent exhibitors wish to purchase the same booth, preference will be given to the earliest Campus Activities Marketplace payment. If both payments have the same date, the decision will be made by a single coin toss. If both adjacent exhibitors wish to purchase the same booth, preference will be given to the earliest Campus Activities Marketplace payment. If both payments have the same date, the decision will be made by a single coin toss.

4. Exhibit(s):

6. Firms are encouraged to have at least one representative present at the event and at its booth or Campus Activities Marketplace attraction space during all Campus Activities Marketplace hours.

7. Booth operations obstructing traffic in the aisles or interfering with surrounding booths will be considered violations of Campus Activities Marketplace policies. Exhibitors may be required to adopt a “deli-ticket” system or other control system to ease the flow of traffic if lines begin to form in the aisles blocking access to other exhibitors’ booths.

8. Agencies with showcase acts whose showcases occur after the final Campus Activities Marketplace will be permitted to display and distribute promotional materials for the act at the showcase venue. Block Booking forms may be completed and submitted for inclusion in the final Block Booking report.

9. NACA reserves the right to regulate the volume level within the Campus Activities Marketplace. There is no requirement for exhibitors to use headphones for the amplification of sound in their booth; however, if the noise level interferes with business in other exhibit booths, the designated event official will ask exhibitors to lower their volume.

10. Exhibitors may not load out from Campus Activities Marketplace or begin to break down any elements of their booth or attraction space until the close of the final Campus Activities Marketplace on the last day of the conference.
