

NACA[®] FOUNDATION BY THE NUMBERS

FY26 Financial Statements

The **NACA[®] Foundation** was established in 1982 to develop and provide educational programs and services for college and university students, professional staff and others who work in the field of student activities.

The Foundation currently offers a variety of scholarships to assist undergraduate students, graduate students, professional staff and associate members in pursuing educational interests and career development.

When you support the Foundation, you are a part of something really special: a community dedicated to developing knowledgeable and innovative leaders through research and scholarship. Since 1982, our donors' belief in the NACA[®] Foundation as a valuable community asset has made it possible to award numerous scholarships, research grants, and professional development opportunities to members of the campus activities community. We take great pride in our mission and accomplishments, and with your continued support, we can persist in advancing the field of campus activities.

A Few of Our Recent Scholarship Recipients

Donovan Nichols

This scholarship eases the financial pressure and empowers me to stay focused, energized, and on track to reach my goal of graduating in the coming academic year. Thank you for investing in my journey!

Melba Mullins

This scholarship makes it possible for me to continue my graduate studies and move confidently toward my goal of becoming an administrator and strong advocate for students. Your investment in my education strengthens not only my future, but the lives of young people I serve. I am profoundly grateful; this opportunity means the world to me.

Oluwamisayo Ologun

What you have made possible for me goes far beyond financial support. You have given me the freedom to dream bigger, and the ground beneath my feet to stand on while I do. Your foundation's generosity has made it possible to reach for my academic dream and live it out.

Clara Obeng-Akrofi

This scholarship would allow me to engage more meaningfully with the NACA community by attending conferences to learn from industry leaders, exploring innovative practices across institutions, and building the professional network that supports meaningful, long-term impact in this field. It represents an investment in the kind of leadership that will shape the future of campus activities.
