

*Creating College Communities
Where Everyone Belongs*

YOUR SCHOOL MEMBER BENEFITS

One Institution = One Membership

Share the benefits, split the cost! With NACA's membership model, you can pool funding for one annual membership that supports your entire institution.

One Complimentary Conference Registration

Experience purposeful learning, meaningful connections, & engaging entertainment at NACA conferences! School members receive one free early bird registration to any NACA conference (excluding NACA Live).

Make the Case for Campus Activities

Access research & tools to help you communicate the value & impact of Campus Activities on belonging, retention, and persistence.

NACA® 24/7: Easily Source Solutions to Your Programming Needs

Find everything & everyone you need to throw the most successful event on your campus through our online directory of talent, programs, vendors, & services.

NACA Connect: Online Community

Ask questions, share ideas, find solutions. Our year-round discussion boards foster collaboration, crowdsourcing, & relationship building.

NACA Cohorts: Learn with Your Peers

Learn & build community with peers working within specific functional areas: Programming Boards • Student Government • Student Organizations • Fraternity & Sorority Life • New Student Experiences.

Scholarships, Grants, & Professional Development for Staff & Students

Funding opportunities plus year-round learning through online webinars & programs.

Volunteer Opportunities

Short term, annual, & multi-year volunteer commitments available.

THE CASE FOR CAMPUS ACTIVITIES

The Case for Campus Activities outlines the connections between Campus Activities, sense of belonging, and student retention and persistence. It provides you with the research & tools you need to help champion the impact of Campus Activities.

*"It's all about giving us the language - and confidence
- to talk about why what we do matters."*

- Jason Meier, Harvard College

 campusactivities.org

*"It's already helping us advocate smarter, plan better, and create a more intentional
student life experience."*

- Jarrick Brown, Univ. of Colorado Denver
