NACA Live: What to Expect

NACA Live brings together the campus activities community for four days of educational sessions, networking, live entertainment showcases, and – the hub of it all – our Campus Activities Marketplace (aka the exhibit hall).

College programmers attend NACA Live to discover new entertainment, programs, products, services, and experiences to bring back to their campuses.

Campus Activities Marketplace (Exhibit Hall)

All associate members must have a booth in the marketplace. Your booth is your place to promote your offerings and connect with school members in attendance.

Showcases

Showcases are live performance slots on stage that provide a preview of your act to the campus programmers in attendance. Showcases are selected through an application process. Detailed showcase information is available [here](#).

Educational Sessions

Share your knowledge, skills, and expertise by presenting an educational session. Members can submit ed session proposals for consideration – plus, you can attend sessions to gain insights and strengthen your understanding of campus trends and needs. [Learn more](#).

Networking

Conferences include both structured and informal networking opportunities designed to help you make meaningful connections and grow your network.

Who Will I Connect With at NACA Live?

Last year, **226** campuses and **1,173** campus delegates attended NACA Live.

Attendee Roles

You can typically expect:

- 70 – 80% student leaders
- 20 – 30% professional staff

Registration & Ticket Types

Campus Activities Marketplace Booth

Your booth is your dedicated space to highlight your offerings and engage with the school members in attendance. All associates must purchase a booth to attend any NACA conference. You cannot attend without a booth, even if there is a waitlist for booth space. A booth purchase does NOT include a conference registration.

Full Conference Registration

A Full Conference Registration gives you access to the entire four-day conference. Each associate entity must purchase at least one Full Conference Registration prior to the start of the conference.

Full Conference Registration - No Hotel Discount

All registered conference attendees are expected to stay inside the contracted hotel block. See hotel policy section for exemptions. If you are not staying in the hotel block, you should select the non-discounted registration fee (an additional \$100) when you register.

Day Pass

Designated for artists or persons who are staffing booth attractions/demonstrations represented by associate members exhibiting in the Marketplace. Options include a Friday/Saturday Day Pass (covering both Friday & Saturday), a Sunday Day Pass or a Monday Day Pass.

Campus Activities Marketplace Attraction Space

An area in the Marketplace not adjacent to in-line booths or standard aisles set aside for large-scale booth demonstrations such as inflatables. Members purchasing a minimum of 100 square feet of attraction space are not required to purchase a regular booth.

Registration & Ticket Types

Complimentary Showcasing Act Pass

Acts appearing in the onstage showcase receive a complimentary Showcasing Act Pass for the day they are performing only. If showcase performers wish to attend additional days, they may purchase a Day Pass. Note that the showcasing entity must still meet the minimum registration requirement of one Full Conference Registration and one booth, regardless of the Showcasing Act Pass. For example:

- A showcaser's agent purchases a Full Conference Registration and booth; the performer receives a complimentary pass giving them access to the conference for the day of their showcase.
- A showcasing band purchases one booth and one Full Conference Registration, designated to the band member who will attend the full conference and staff the booth. The remaining band members receive complimentary Showcasing Act Passes for the day they perform in the showcase, meaning they can attend the conference on this particular day only unless additional Day Passes are purchased.

HOTEL & TRAVEL

A large commercial airplane is shown from a low angle, flying directly towards the viewer over a runway. The sky is filled with dramatic, orange-hued clouds, suggesting a sunset or sunrise. The runway is visible in the foreground, with its center line and side lines clearly marked. The overall scene conveys a sense of travel and arrival.

All registered delegates of the event are expected to stay inside the conference hotel block. See page 47 for information on and exceptions to this policy. Be sure to use the booking links provided to get the group rate.

Exhibitor FAQs

How are booth locations assigned?

Purchase booth space at [the registration link](#). Once purchased, you can select your booth location [here](#). Note that there is a slight sync delay of up to 30 minutes between purchasing your booth and being able to select your booth location.

What if I want to change my booth location?

If you would like to change your booth location after your initial selection, you can do so using the same [link](#) up until eight weeks prior to the conference starting. After that date, you will need to contact memberrelations@naca.org to make any changes.

Can I purchase more than one booth?

Yes, you can combine booth spaces as availability permits. You will need to select booths next to each other in order to combine booths to create larger spaces.

Do I need to staff my booth for the entire conference?

No. The Campus Activities Marketplace is open at designated times, as detailed in the [conference schedule](#). You only need to be in your booth during these designated Marketplace hours. Outside of these times, the Marketplace is closed.

Can I give out food or drinks in my booth?

The facility will not allow exhibitors to bring in outside food & beverage without advance permissions. Please send any requests to memberrelations@naca.org. Halloween sized candies/gum/mints are generally the only exceptions to this policy.

Showcase FAQs

What is a showcase?

A showcase is a live performance at a NACA event. Campus programmers attend showcases at NACA conferences to find talent and entertainment for their campuses.

How do I perform, or 'showcase' at a NACA event?

Showcases are selected by an application process. To be considered for a NACA showcase, you must:

- Be a current associate member of NACA
- Submit a showcase application via your NACA 24/7 account by the application deadline. The showcase application includes basic information about your act, a stage plot, and up to three video links.
- Pay the \$195 showcase application fee by the application deadline.
- Await notification; we will contact you to let you know whether or not you have been selected to showcase, or if you have been selected as a showcase alternate; a showcase alternate is a backup act selected to step in if a scheduled performer can't appear.

What should I include in my showcase application?

Your basic act information, and up to three video links. (See "How are Showcases Selected" above for further detail on how videos are reviewed.) You can find the showcase application questions [here](#). The application form (to be submitted via the NACA 24/7 platform) also includes a stage plot template which you should complete as part of your application.

What is considered to be a low-tech performance?

- Two or less inputs (either microphone or direct input)
- No pianos/keyboards
- Minimal tech needs as defined by the Showcase Production Coordinator
- May be required to perform in the front of the curtain on the thrust

Showcase FAQs

What happens if I am selected to showcase?

If you are selected to showcase, you must complete the following by the deadline stated in your notification mail:

- Pay the showcase production fee (see showcase fees [here](#))
- Sign and return your letter of intent
- Purchase an exhibit booth
- Purchase at least one Full Conference Registration

What if I am selected as a showcase alternate?

A showcase alternate is backup act selected to step in if a scheduled performer can't appear. Alternates may be called up at any point before or during the event.

To accept your showcase alternate slot, you must:

- Pay the alternate showcase production fee (varies by event and showcase category - [learn more](#)) by the deadline stated in the notification email. The alternate showcase fee is 50% of the showcase fee, which will be refunded in full if you are not selected to perform.
- Sign and return your letter of intent by the deadline stated in the notification email.
- Purchase an exhibit booth for the conference by the deadline stated in your notification email.
- Purchase at least one Full Conference Registration for the conference by the deadline stated in your notification email.
- If you are selected to appear, the balance of the showcase production fee must be paid.

What happens if I don't get a showcase?

If you don't get a showcase, you can still attend the conference as an exhibitor. This allows you to connect with college decision makers in person and promote yourself to the schools and get your name out there.

Showcase FAQs

Do you have any tips for my showcase video submission?

Your video should be representative of your live performance and provide the committee with a sense of who you are as a performer. You should also be sure that your video aligns with the information you provide in your application.

For further guidance, check out this Showcase Application Tips & Tricks [video](#).

If the discounted fee is paid and you do not stay in the block, a \$100 registration fee will be assessed post event. If you are not booking a hotel due to your close proximity to the conference site or other unique circumstances, or are not able to

Criteria for Reviewing Submitted Acts

product/program rather than a person (i.e. A game show or dance party), the host of the product/program may also host other products/programs at the same event.

4. The criteria utilized to review submitted acts will include but are not limited to (not necessarily in priority order):

- Originality (both of performance/act and within the pool of acts submitted).
- Talent as compared to other acts submitted.
- Competition with regards to other acts submitted.
- Staging capabilities (Full Stage vs Thrust).
- Anticipated college marketability and audience appeal within the region to which the application was submitted.
- Diversity and/or variety as compared to other acts/artists submitted.

SHOWCASE SELECTION PROCEDURES

1. The showcase selection committee meets virtually for all NACA conferences.

2. The Showcase Selection Committee Coordinator will begin the process by reviewing the schedule, all showcase policies, the selection procedures and criteria, the number of acts that must be reviewed, and the confidentiality of the Committee's discussions. The coordinator should also answer any questions from the Committee at this time.

3. All deliberations and discussions during the showcase selection process are confidential. Any breaches of confidentiality could result in sanctions from the Association.

4. The Committee will review submissions in the following order:

- a. Variety
- b. Roving Artist

selection as outlined previously. After this review, a vote will be taken. If 50% or more of the Committee members vote in the affirmative, the act will move to the second round.

7. In the second round, each individual Committee member will develop a ranked list of the acts they would select for showcase. Those correlated scores will help determine the final showcase list, using the criteria listed above.

8. After all acts are selected for showcase, alternates will be chosen and ranked accordingly in the following categories:

- a. Variety
- b. Roving Artist
- c. Spotlight Low
- d. Spotlight High
- e. Master of Ceremonies

The Committee reserves the right to revisit eliminated acts and/or to move acts indicating they would accept such a move into any other category as needed to finalize the alternate lists.

10. Associate member agency(cies) representing acts/artists not selected to showcase will be able to see the review round in which their act/artist was eliminated via NACA 24/7; no other feedback will be developed or provided.

11. If an in-person event is replaced with a virtual program, virtual showcase performances would be sourced from the selections made for that in-person event.

SHOWCASE ALTERNATES

1. An alternate will appear during the same showcase block in which the vacancy occurred (i.e. Showcase 1, Showcase 2, etc.) but may not necessarily perform in the same order as originally occupied by the act they are replacing. The Showcase Production Coordinator has the authority to change the order of acts in the showcase block as they deem necessary.
2. Alternates will be approached as follows:
 - a. Variety, Spotlight Low, Spotlight High, Roving Artist will be chosen from their individual alternate pools only

Technical control of all showcase performances including the power supply for lights and sound, sound levels and lighting direction, and all stage and equipment setup will at all times be under the control and direction of the Showcase Production Coordinator in coordination with the student stage crew. All questions should be directed to this official.

2. The firm representing a showcasing act must be present for the duration of the conference unless prior written permission has been granted by the NACA Office. This agency must be the only booking contact for that act during the conference. If the representation of the act is in dispute, and the dispute cannot be settled prior to the beginning of the conference, the act will not be allowed to perform on the showcase, and the firms in dispute regarding the representation of the act will forfeit their booth spaces and any subsequent showcases, and will no longer be able to participate in and/ or attend the conference.

3. Changes of equipment, instruments or personnel within the act that do not alter the concept or talent as presented by the act to the Showcase Selection Committee in the showcase and as will be presented by the act on the road may be permitted at the sole discretion of the Showcase Production Coordinator. Changes in personnel in single artist acts are not allowed.

4. Acts cannot include any other guests or performers that were not included in the submission materials, nor can they include acts that are already showcasing separately.

- b. Roving Artist – see schedule
- c. Spotlight Low – 10 minutes
- d. Spotlight High – 10 minutes

An act's performance time will not begin until after their introduction is read.

6. Acts appearing in the showcase may only attend the conference the day they are appearing unless they are registered as delegates. Showcase alternates may attend the conference on one day of choice. If a showcasing act or alternate wishes to attend on days not covered by their

showcasing act pass, they may purchase a Day Pass. Day Passes may be purchased for multiple days.

7. All instruments, instrument amplifiers, laptops, keyboards, backline and stage props are the sole responsibility of the attraction or agency. All attractions will perform under general stage lights unless a representative is present to call lights. A standard concert sound system and operator will be provided by NACA.

8. Any performance that exceeds the defined showcase time limit will have its lights and sound cut off. Each performer's time allotment will begin immediately following their introduction. Any showcase act who exceeds their time limit may forfeit any remaining showcases they may have been awarded for the current conference season and will not be eligible to apply to showcase at any events for the following year's conference season.

9. In showcase acts that include hypnosis, the performer may not conduct any mass/group hypnotic suggestion of the audience as part of the showcase. Hypnotists may induce volunteer participants up to 25 minutes prior to the performer's scheduled showcase start time. 11. In the event a showcase is interrupted due to technical difficulties, the NACA Showcase Production Coordinator and the Executive Director or designee will determine if a re-scheduling of the showcase is appropriate. NACA assumes no liability for technical difficulties beyond its control.

12. Any showcases involving pyrotechnics, glitter, gasoline, fire, confetti, blood, water, etc. on stage/performance area must be approved in advance by the Showcase Production Coordinator. The use of live animals is not allowed. Additionally, the clean-up for any messes made on stage/performance area are the responsibility of the showcasing act and should be taken care of immediately following the conclusion of the act or showcase depending on the determination of the Production Coordinator. Failure to provide notice of such aspects of your performance prior to a showcase and/or clean up immediately following may result in the retraction of any remaining showcases they may have been awarded for the current conference season as well as the ineligibility to apply to showcase at any conferences for the following year's conference season. If artist actions cause any additional cleaning fees, work overage charges, venue charges, or damage to production equipment, the representing agency will be charged.

13. ALL parties of the showcasing attraction and its representative must be backstage and in contact with the showcase production coordinator at the **SOUND CHECK ARRIVAL TIME**

as indicated. The representative must remain at the location designated by the production coordinator until the attraction has completed its sound check and the stage is cleared for the next attraction. 3. If an exhibitor is aware that they will be arriving late due to an emergency prior to the start of the conference, they must contact the NACA Office. At this point, it is at the discretion of the NACA office to determine whether or not to allow exhibitors to arrive late and still participate in the event.

If both adjacent exhibitors wish to purchase the same booth, preference will be given to the earliest Campus Activities Marketplace payment. If both payments have the same date, the decision will be made by a single coin toss. If booths still remain empty, other exhibitors may purchase an additional booth for 50% of the booth fee on a first-come, first-served basis.

4. Exhibit(s):

- May not block sight lines to adjacent booths based on the sole discretion of the NACA Office. All booth equipment, banners, etc. cannot be more than 4' high at the front 4' of the booth, which should allow clear sight lines to neighboring booths.

Associate members may be asked to move/remove equipment OR purchase additional booth space if this is not possible.

5. Exhibitors will be restricted from distributing or posting promotional materials outside their Campus Activities Marketplace booth without prior written approval of the NACA Office. Materials that are not approved will constitute a violation of event policies.

6. Firms are encouraged to have at least one representative present at the event and at their booth or Campus Activities Marketplace attraction space during all Campus Activities Marketplace hours.

7. Booth operations obstructing traffic in the aisles or interfering with surrounding booths will be considered violations of Campus Activities Marketplace policies. Exhibitors may be required to adopt a “deli-ticket” system or other control system to ease the flow of traffic if lines begin to form in the aisles blocking access to other exhibitors’ booths.

8. Agencies with showcase acts whose showcases occur after the final Campus Activities Marketplace will be permitted to display and distribute promotional materials for the act at the showcase venue.

9. NACA reserves the right to regulate the volume level within the Campus Activities Marketplace. 10. Exhibitors may not load out from Campus Activities Marketplace or begin to break down any elements of their booth or attraction space until the close of the final Campus Activities Marketplace on the last day of the conference.
